About Us

InternsForge is the bridge that takes you from books to the on-field application of any and everything you want to learn. You should be trained to apply all your learnings in the real world right from the start. This not only makes your learning process a lot more fun but sets you apart from the dense competition through your exceptional skills from our holistic learning approach.

“We're not here to just teach;
we're here to transform”

30,000+ Students Turned Industry-Ready Professionals

4.5+ Star rating on Google from 325+ Happy customers

Have our presence in over 4000+ colleges including top IITs, IIMs, NITs, IIITs etc

Students from InternsForge are working in Top MNCs like IBM, Accenture, Innodata, Cognizant etc

FINANCE

What is Finance ??

Welcome, brave souls, to the fantastical realm of finance careers, where the dress code strictly says 'corporate chic' and coffee is the official fuel of the industry! Here, the pursuit of profits isn't just a job; it's an adventure—a thrilling ride on the number-crunching rollercoaster, where every spreadsheet is a treasure map and every fiscal year ends with a cliffhanger.

Prepare to enter a world where “net worth” isn't about self-esteem, but it does get bragged about at cocktail parties. In this land, the heroes wield calculators like swords, battle it out in conference rooms, and are wizards with Excel—casting pivot tables and VLOOKUP spells to charm the mightiest of CEOs.

Scope of Finance ??

Congrats!! 🎉
You just made a great
choice

Did You Know ??

- India's financial services market is significant, with projections suggesting robust growth. The Indian financial services market was worth approximately **\$200 billion in 2021** and is expected to grow to **\$350 billion by 2025**, as per an IBEF report.
- The Indian fintech market is thriving, projected to reach **\$150 billion by 2025 from \$50 billion in 2020**, according to a Boston Consulting Group (BCG) report. There has been an exponential rise in digital payment systems in India, driven by initiatives like the Unified Payments Interface (UPI).
- According to the National Payments Corporation of India (NPCI), UPI transactions crossed **6.28 billion** in terms of volume and **Rs 10.25 trillion (~\$130 billion)** in terms of value in March 2022.

Are We Really Different ??

‘This is NOT a Course, This is a Commitment’

The internet is full of online courses- free as well as paid, college students have access to top professors and high quality study materials.

Still our unemployment ratio continues to grow.

At the same time, the stress and worry faced by today's college students reach the sky!

“ Now it's time to leave all your worries up to us and experience a transformed way to learning ”

4 Gaps That We Fill for You

1 Learn From Your Idols

- **Learn from Your Idols Currently**

Working At Your Dream Jobs

You are already getting trained by top quality college professors, now time to cover the gap between theory and actual industry work. Get trained by professionals working at your dream jobs, get inspired, get guided, and get ready to reach your dreams.

- **Interactive-Live Classes**

90% of the students never finish the online courses they enroll in. Get ready of an entirely different experience, where you learn while interacting with your mentors in a motivational environment where you can't wait for the next session. Get Inspired! Get Going!

2 Filling the Communication Gap

- **Special Emphasis on Your English Communication Skills**

Even the most highly skilled professionals have reported not getting the job due to lack of effective English communication skills . Our focus will not only be to develop you industry-level skills but also efficient skills to present to the world everything you have learned confidently and fluently.

- **Group Discussion Sessions**

Learn with the strongest tools-Practice. We will consistently arrange group discussions sessions where you can practice to put your thoughts out their with professionalism and fluency.

3 Advanced Placement Preparation

• Advanced Interview Preparation Tools

Get FREE access to our advanced interview preparation tool where you can:

- Select the desired job role you want to interview for.
- Answer the interview questions.
- Get evaluation and feedback on your answers, tone, communication, expressions, confidence and everything the interviewer looks for.
- Work on your shortcomings and use the tool regularly till you securely land your dream job.

• Our Highly Efficient Job Portal

Get access to our own exemplary job portal which combines and brings for you all the latest job openings from each and every platform at together at one place.

• Advanced Resume Building Sessions

Learn what MNCs look for in their ideal resumes customized to your desired job role and explore the secrets that sets apart a resume from the dense crowd of job seekers.

4 Experience Working on Live Industry Level Projects

- **4 Live Industry Level Projects**

There is a humongous difference between learning from your classroom, books, notes vs. having industry experience where you know the current industry demands and are an expert at fulfilling those demands.

At InternsForge we make sure that your learning runs parallel to the applications of your learning, i.e right from the start till the end you are consistently applying everything you are learning in form of 4 main projects that are going on in the current industry

- **Projects Assigned and Guided by Industrial Mentors**

Since the purpose of this program is to get you industry ready. You will be assigned projects through your mentors who are working in the industry. You get to work on the projects that are highest in demand as per the industry requirements of the time you are taking the course.

You get consistent guidance from your mentors with additional doubt clearing sessions as per your demand for the smooth running of your projects.
